Exclusive Shareholder Wine Offers

2001 Shareholders Clare Valley Shiraz – available at \$90 per 6 pack

"This wine is absolutely delicious" noted a shareholder who tasted the 2001 Shareholders Clare Valley Shiraz at Cellar Door recently – and stock is still available.

The wine is the first to be released from our Trillians Hill vineyard situated in the Clare Valley. It is a rich, intense wine showing aniseed and black pepper on the nose, which is a typical character of the Clare region. This wine will age very well over the next five years, so stock up – drink some now and keep some for later.

Great Shareholder value at \$90 per 6 pack = only \$15 per bottle

2001 Blue Eden Riesling – half price for Shareholders

This is an offer Shareholders should not refuse. 2001 Blue Eden, Eden Valley Riesling for **\$120 per dozen** – that is **\$10 per bottle**. Usually this wine sells for \$20 per bottle or \$240 per dozen.

This Riesling is classic Eden Valley; lemony, limey, fragrant, wild flower-scented and is a perfect accompaniment to white-fleshed fish, freshly shucked oysters or light chicken dishes. Or just enjoy as a delicious summer drink – at this price you can afford to drink it every day!

The 2001 Blue Eden is also highly cellarable and can be safely put down for the next 5-8 years. The screw cap is also an assurance that the wine will be fresh and crisp when you open it.

This wine is in limited supply, so please get your order in quickly to avoid disappointment.

Peter Lehmann Wines values your loyalty and we hope that you will take this opportunity to continue our relationship by joining "The Weighbridge" mailing list.

Yours sincerely

Doug Lehmann
